Other Liabilities .....	82 50
Grand Total Liabilities.....	\$2,596,214 15

The bank has outstanding \$10,000.00 of Deferred Certificates, payable solely out of future net profits, if and when such future net profits are earned (future net profits are operating profits plus recoveries, less charge-offs and proper provision for reserves) representing contributions to the bank and subordinated to all deposit and creditor liabilities but payable before any distribution to stockholders as such.

The bank has outstanding \$21,255.33 of Trustee's Certificates representing a pro-rata beneficial interest in and to certain notes, mortgages, assets and securities assigned by the said bank to Henry B. Hoelscher, Trustee, under the terms of a certain Trust Agreement dated April 15, 1933, and this bank has agreed to transfer to the said Trustee its future net profits, if and when such net profits are earned (future net profits are operating profits plus recoveries, less charge-offs and a proper provision for reserves) until said Trustee's Certificates are paid.
